

Chamber with an iron fist and demanded his fellow Senators live up to higher standards.

Mr. Speaker, Senator Heflin commanded respect from his colleagues, and made the least among us feel as important as anyone else. He was a friend to me during and after his time in Washington. He will be missed by all who knew him.

On behalf of everyone in North Alabama, I respectfully rise to honor and pay tribute to a great American leader.

FREEDOM FOR THE PEOPLE OF TIBET

HON. ANTHONY D. WEINER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 6, 2005

Mr. WEINER. Mr. Speaker, I rise today with indignation over the situation in Tibet. In 1949, Tibet was invaded and occupied by The People's Republic of China. In the course of the invasion and occupation, an estimated 87,000 Tibetans were arrested, deported to labor camps, or killed.

The situation has not much improved over the past sixty years. Tibetan freedom of choice is still not tolerated by the People's Republic of China and harsh punishments await any who diverge from Chinese mandates.

Each year thousands of innocent people are thrown in prison or killed under a corrupt and cruel system. Even peaceful opposition is met with exacting penalties. In fact, Buddhist monks and nuns are regularly shipped to detention for exercising their religion.

The people of Tibet live in constant fear they will be imprisoned, tortured, or killed for peacefully expressing their political and religious beliefs, or in the best case scenario, they will simply disappear in the dark of the night.

We must help the Dali Lama and the people of Tibet in their quest to live free from oppression. We must all work towards a peaceful resolution to this situation so not one more Tibetan is carried off by the night.

PAYING TRIBUTE TO MARY ELLEN SHEETS OF LANSING, MICHIGAN

HON. MIKE ROGERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 6, 2005

Mr. ROGERS of Michigan. Mr. Speaker, I rise to honor the accomplishments of Mary Ellen Sheets of Lansing, Michigan, who recently was named Entrepreneur of the Year by the International Franchise Association.

Mary Ellen Sheets, founder/CEO of Two Men And A Truck, is the first businesswoman to be honored with this prestigious award which has an illustrious honor roll of recipients, including Tom Monaghan, founder of Domino's Pizza Inc., and J. Willard Marriott of the Marriott Corp., as well as leaders in other franchise organizations such as Subway, Jiffy Lube International, Pizza Hut Inc., and Holiday Inn Inc.

Mary Ellen's teenaged sons started a moving business with a pickup truck in the early 1980s. After the boys left for college, cus-

tomers kept calling so in 1985, this creative mother paid \$350 for an old moving truck and officially opened Two Men And A Truck.

When she first sketched the now-famous company logo, a simple graphic of two stick men in a truck cab to catch readers' attention, Mary Ellen never guessed it would lead to such phenomenal entrepreneurial success. From that simple beginning, her business was catapulted into a vibrant, growing franchised company with 152 locations in 26 states.

While becoming a successful entrepreneur, Mary Ellen Sheets never forgets about her community. This very successful businesswoman also makes time to serve on the boards of Lansing Community College, Michigan Freedom Foundation, Michigan Law Abuse Watch, and Edward Sparrow Hospital. She chaired the 2004 United Way Campaign in Lansing, and has been recognized numerous times, including as one of Michigan's Top 25 Women Business Owners, and Lansing Business Person of the Year.

Mary Ellen Sheets epitomizes the American dream. She rose from a small beginning to become a very successful businessperson who believes in giving back to her community.

Mr. Speaker, I ask my colleagues to join me in honoring this very special woman and community leader, who is truly deserving of our respect and admiration.
